TURKEY SECTION INTERNATIONAL SYMPOSIUM ON DIGITAL FORENSICS AND SECURITY

9th International Symposium on Digital Forensics and Security June 28-29, 2021 Elazığ / Turkey

We are pleased to announce that The 9th International Symposium on Digital Forensics and Security (ISDFS 2021) will be held both **ONLINE** and **in-person** in Elazığ, TURKEY, on **June 28-29, 2021**. The conference is technically sponsored by **IEEE Section**. The conference proceedings will be submitted for publication in the **IEEE Xplore Digital Library**.

ISDFS provides a platform for researchers and experts in academia, industry and government to exchange ideas and recent developments in Digital Forensics, Cybersecurity, and Computer Science in general. After several successful events, the ninth ISDFS conference will continue to promote and disseminate knowledge concerning several topics and technologies related to Digital Forensics and Cybersecurity. Special sessions, workshops, tutorials, keynotes, panel discussions, posters, and oral presentations will be included in the symposium program.

All papers will be reviewed by at least three independent reviewers (single-blinded review). Accepted full papers will be submitted for publication in IEEE Xplore Digital Library.
